The screenshot shows the FD Meal Planner website interface. At the top, there's a navigation bar with 'FD' and 'LUNCH' options, along with 'SELECT LANGUAGE' and 'PRINT' buttons. Below this is a header for 'APRIL 2019' and a 'BUILD A MEAL' button. The main content area is a grid of meal options for Monday through Friday. Each day's column lists entrees, sides, condiments, and beverages. To the left of the grid is a sidebar with 'MEAL PRICES' for different school levels and an 'ALLERGEN & DIETARY' filter section with icons for various dietary restrictions like Gluten Free, Vegetarian, Vegan, etc.
