	<p>Students will be able to independently use their learning to... Students will learn to work independently with a variety of media and artistic tools. Students will have solid knowledge in use of many materials used routinely in art creation.</p> <p>What kinds of long-term independent accomplishments are desired? I would like the students to learn to become more refined artists starting with basic skills and knowledge that will help them excel in higher art classes and beyond. I would like the students to experience creating with a variety of media and find their own voice/style artistically. I would like the students to relate art to everyday life. I would like them to understand enough to be able to share their knowledge with others. Mostly, I want my students to have fun and discover an art medium/process they love and want to continue creating with in the future.</p>
